Re: **New RED Notices**

With the recent consolidation of the Multi-Family Department and Community Development Department at Indiana Housing & Community Development Authority (IHCDA), the Real Estate Department announces the creation of Real Estate Department (RED) Notices. RED Notices, beginning with this memo, will replace the Multifamily Department (MFD) Notices and Federal and State Program (FSP) Memos.

IHCDA will use RED Notices to communicate all information formerly shared through MFD Notices and FSP Memos.

RED Notices will be posted online at the former [MFD](#) and [FSP](#) websites.
